

User accounts and user access to contracted applications:

User access:

Cargonaut operates a website (<https://cargonaut.nl>) which enables users to access customer contracted applications via a login button (cargonaut.nl/login/).

User accounts:

Both for Cargonaut and Customers security objectives, following access measures have been initiated and will be implemented phase – by - phase:

- Single Sign On based on Customers staff individual e-mail accounts;
- Multi-Factor Authentication;
- A procedure to verify Customers users.

Master Agreement reference: Article 5.
